WORK EXPERIENCE

Dec. 2016 – Sept. 2017

General Employee Technical Service/Workshop

Smienk Trapliftten, Nunspeet

- General employee technical service consists of installing stairlifts at the customer's home. This involves the social responsibility of properly dealing with the customer in a friendly and professional manner, as well as the technical ability to install the lift. While this was my function at Smienk Trapliftten most of the time, I also worked days in the workshop every once in a while.

Aug. 2013 – Sept. 2015

Kitchen Help

Restaurant De Boerenschuur, Vierhouten

EXTRACURRICULAR

Sept. 2020 – Sept. 2021

Beta Business Days Start-Up Committee

Treasurer, Beta Business days

- The Beta Business Days Start-Up Committee is responsible for organizing the Start-Up Competition. During this competition, the University of Groningen provides a patent that is owned by the FSE (faculty of Science and Engineering) and gives students the opportunity to work on product design and marketing/business plans based on these patents. During the competition guest lectures from acknowledged professionals are given.
